

## The RAM® Difference

**RAM Mounts is well-known for its rugged, versatile mounting systems and docking solutions for mobile phones, tablets, GPS units, cameras, laptops and other digital devices.**

RAM Mounts provide quality and convenience without big-dollar expense.

RAM's patented solid rubber ball and sturdy metal socket mounts have a unique ability to absorb shock and vibration, to help protect your valuable technology. They are the standard mounting solution for many large companies globally – including Case IH.

- **Lifetime warranties**
- **Adjustable viewing angles**
- **Electronic protection**
- **Shock absorbing**
- **Versatile and adaptable**
