Ramsey Bros is a true South Australian success story that has spanned over 65 years and three generations. As one of South Australia's largest Agricultural Machinery Retailers we recognise that our people are our greatest strength and are critical to our success going forward.

With core family values based around trusted business partnerships with customers, Ramsey Bros grows from strength to strength as a multi franchised agricultural machinery group selling and servicing a wide range of farming equipment.

We are seeking an experienced Agricultural Mechanical Technician to join our service team in Murray Bridge. Ideally we require an experienced technician fluent with high horsepower tractors, combines, headers, boom sprayers, spreaders, telehandlers and bailers. The role is supported by experienced service staff, a cohesive branch structure and some of the largest agricultural brands in South Australia. With branches covering much of the state, Ramsey Bros offers true career growth opportunities including roles in service, parts, sales and corporate.

The role will require supporting our farmers in the field especially during harvest and seeding, pre and post-delivery work on new equipment, used equipment maintenance in our workshop and being a part of our highly valued service team at Murray Bridge.

You will receive specialist training on our major brands developing your skills further and keeping you up to date on the world's most sophisticated agricultural equipment. skills will be updated with technical abilities, time management skills, be able to work in a team or on your own are only some of the attributes required. Joining us will reward you in many ways as we genuinely care about our people, our customers and especially our company.

For further information or a confidential discussion about the role, please call **Al Kalvaitis on 0417 807 857** or email **akalvaitis@ramseybros.com.au**
