## HUGE RANGE. PREMIUM BRANDS. COMPETITIVE PRICES.

### BARFLO INDUSTRIAL AIR SEEDER HOSE

A lightweight, flexible vacuum and delivery air seeder hose. Good flexibility gives a tight bend radius. All hoses are black and UV stabilised. Also suitable for other less demanding applications.

Various sizes from 13mm to 100mm.

Priced from \$3.90 per meter

### MEDIUM DUTY AIR SEEDER HOSE

This is a clear, medium duty flexible PVC suction / discharge hose with a black spiral. It has a mirror smooth bore to minimise friction losses and is UV-light resistant. Horwood Bagshaw's hose of choice.

Various sizes from 25mm to 75mm.

Priced from \$6.40 per meter

### HEAVY DUTY AIR SEEDER HOSE - BLACK SPIRAL

Heavy duty, clear hose with a thicker wall for increased abrasion resistance, while still offering good flexibility. Features a mirror bore, black reinforcing and has excellent UV resistance. This is the heaviest duty PVC spiral air seeder hose on the market.

Various sizes from 31.5mm to 100mm.

Priced from \$8.20 per meter

### HEAVY DUTY EXTRA FLEXIBLE - GREY SUCTION HOSE

A tough, flexible, easy to handle suction and delivery hose suited to air seeder, water and liquid transfer on agricultural equipment. Excellent abrasion resistance. Also suitable for some chemical applications.

Various sizes from 25mm to 100mm.

Priced from \$6.70 per meter

### LDPE AIR SEEDER TUBE

LDPE seeder tube is a smooth bore designed as a secondary line on air seeder equipment. It is manufactured from low density polyethylene to ensure toughness, flexibility and abrasion resistance.

Various sizes from 23mm to 32mm.

Priced from \$5.20 per meter
