- 4,400 lumen, 56W
- 8 high power LEDs
- Hermetically sealed and resistant to pressure washing
- Tough nylon lens and stainless steel bracket
- 9-32v, 100m range*

OVAL 100 Gen.2 LONG RANGE

- 4,400 lumen, 56W
- 8 high power LEDs
- Hermetically sealed and resistant to pressure washing
- Tough nylon lens and stainless steel bracket
- 9-32v, 100m range*

*1 lux, light mounted at 2.5 m high, 12° down angle

HELLA S Series Work Lamps

The latest LED technology, superb output efficiency and excellent versatility. Suppressed electronics will not interfere with radios or any other sensitive electronic equipment

S SERIES MODULE 70 1000 LUMEN

- 1,000 lumen close-range worklight
- Fully sealed dust and moisture protection
- 12 watts, 12/24 DC

S SERIES POWER BEAM 1850 LUMEN

- 1,850 lumen close-range worklight
- Fully sealed dust and moisture protection
- 19 watts, 12/24 DC

SCANGRIP Rechargeable Hand Held LED Lights

SCANGRIP MAG PRO

- Significantly improved with higher lumen output
- Integrated work light and flashlight functionality in one
- 600 lumen peak output
- Strong built-in magnetic holders and retractable hooks for handsfree operation
- New stepless dimmer function

SCANGRIP SLIM

- 3-in-1: inspection light, work light and flashlight
- Extremely powerful illumination up to 500 lumen
- Ultra-slim and compact design
- Strong built-in magnet and hook for flexible positioning
- Rechargeable, providing up to 6h use

HELLA LED Micro and Mini Light Bars

Powerful LED warning lights with Intensive 360-degree warning signal

- Flashing and rotating signal in one unit
- Reverse polarity protection
- Multi-Voltage Input 12-24V
- Optimally protected against strong vibrations
- Bracket mounting

Available in either a clear or amber lens, with amber illumination
